The ABS, produced by the Office for National Statistics (ONS), is the key resource for understanding the detailed structure, conduct and performance of businesses across the UK. The data also influences decisions on company and personal taxation and on interest rates. They affect our contributions to and from the European Union and our regional policies.

We guarantee that while your employment is less than 10, you will receive no more than 1 questionnaire for this ONS business survey. You must complete and return this questionnaire on time, after which you will be excluded from all business surveys for at least 3 years. The Annual Survey of Hours and Earnings is not covered by this guarantee.

You are required by law to complete this questionnaire. If you do not complete and return this questionnaire, penalties may be incurred (under section 4 of the Statistics of Trade Act 1947).
